AI Feature

Auto Framing

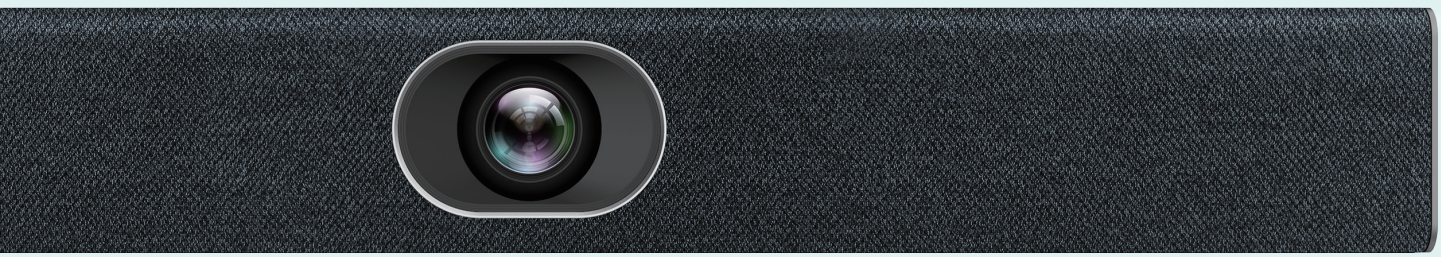
Speaker Tracking

20 MP Camera

Electric Lens Cap

Remote Device Management

8 Microphone Array & Built-in Speaker



Applicable to platforms including (but not limited to) : Microsoft Teams zoom

BlueJeans / Google Meet / Cisco Webex / GoToMeeting /Yealink Meeting

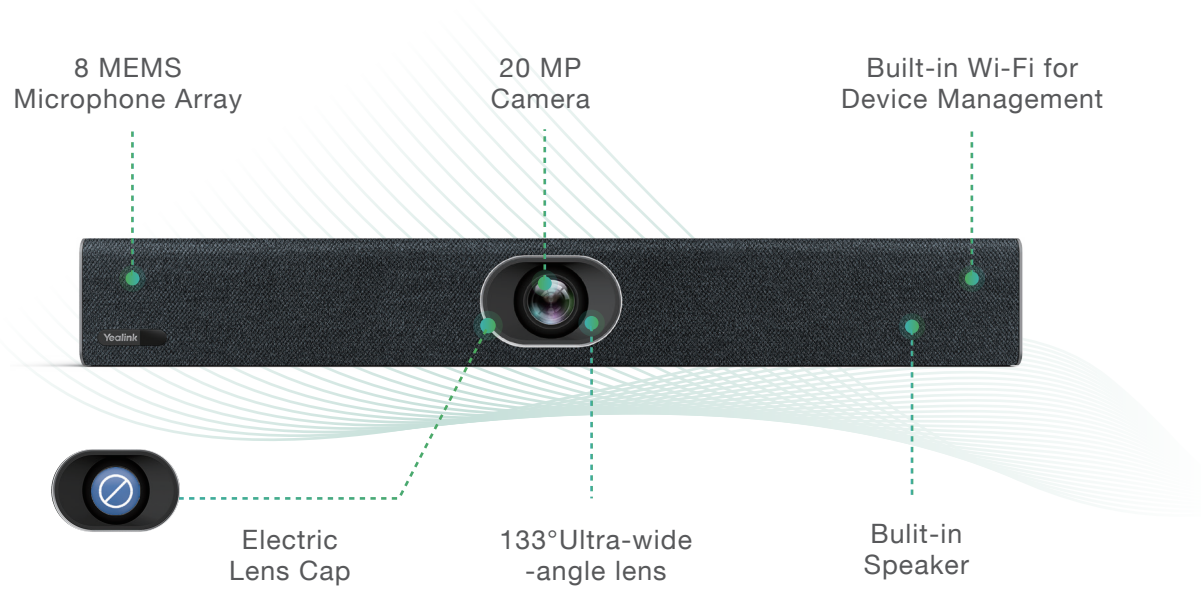
All-in-One, Plug-and-Play

The Yealink UVC40 all-in-one (AIO) USB video bar features a high-quality AI-powerd camera, microphone arrays and speaker, all of which are integrated into a single device to create an elegantly streamlined audio-video meeting endpoint, combining a highly compact design with rich camera performance. Thanks to USB plug-and-play capability, built-in Wi-Fi module and broad applicability with mainstream video conference platforms, this elegant device is easy to use and flexible enough for work, home or school.

If you need assistance or have questions, please contact us via ucinfo@yealink.com

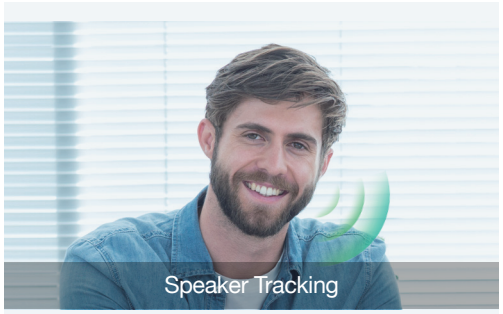
Get started with the UVC40 - BYOD

Simply mount the device underneath a TV monitor, on a wall or tabletop, and plug it into your PC and get ready for the meeting. The device can be remotely managed by Yealink Device Management Platform via Wi-Fi network.



Premium audio video performance for a superior meeting experience

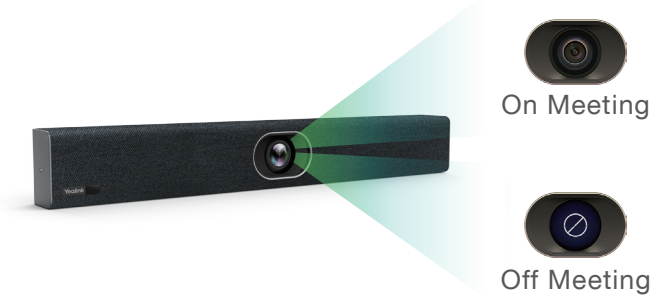
It is essential to ensure everyone can be seen and heard clearly in a meeting. The premium 20-megapixel camera with ultra-wide-angle lens and Auto Framing feature helps put everyone in frame and captures every meeting in detail. The UVC40 creates more engaged and interactive meetings for the participants thanks to AI-powered voice tracking features that allow the device to switch automatically between active speakers.



With Yealink Noise Proof Technology, dereverberation and full-duplex features, the built-in 8 MEMS microphone array and speaker allow users to hear and to be heard clearly and without distraction.

The electric lens cap is designed for privacy protection. It can be turned on or off automatically according to the meeting status. When a meeting ends, the shutter automatically closes.

Yealink Noise Proof Technology



Electric lens cap

Product Name	UVC40 All-in-one USB Video Bar	
Camera Feature	Lens & Sensor	20MP SONY 1-inch CMOS
	Maximum frame rate	60FPS
